What is °CRYO Penguin™

°CRYO Penguin™ is designed to deliver the easiest, safest and most effective localised cryotherapy treatments in the industry.

What is °CRYO Penguin™ Facial

°CRYO Penguin™ Facial provides the ultimate experience to reduce the signs of ageing like wrinkles and fine lines, acne, clogged pores, and inflammation.

°CRYO Penguin™ Facial is a non-invasive, painless treatment that uses vaporized liquid nitrogen to sub-zero temperatures up to $-140^{\circ}\text{C}/-220^{\circ}\text{F}$.

In as little as 15 minutes, this localized treatment penetrates deep into the layers of the skin to increase circulation, refine texture, reduce inflammation and leaves you with glowing skin.

Benefits

- Restores firmness & radiance
- Minimizes pore size
- Stimulates Collagen Production
- Evens skin tone
- Rejuvenates fatigued skin
- Improves skin texture
